Vogue Veda

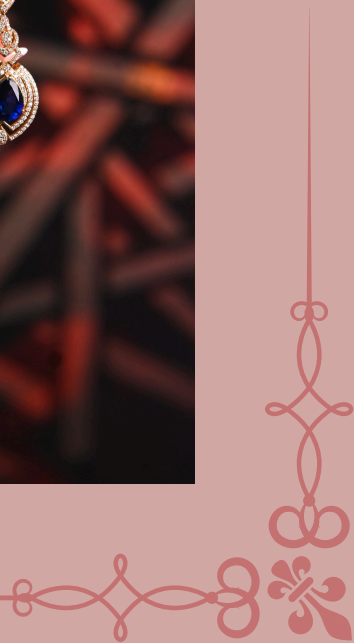

AK Fine Jewels on road no. 36 Jubilee Hills Hyderabad with a legacy of over 30 years is your trusted destination for Polkis, Diamonds and Jadau jewelry.

We are delighted to introduce the Vogue Veda collection to you.

Vogue Veda could be decoded as a blend of Vogue, meaning stylish, and Veda, which in Hindu philosophy refers to knowledge. So together, Vogue Veda signifies a fusion of contemporary style with traditional wisdom reflecting a blend of modern trend with timeless elegance.

Our diamond jewellery pieces are handcrafted with 18kt Hallmarked Gold and EF-VVS certified natural diamonds. We specialize in Illusion setting technique which makes our diamond range very affordable and unique.
